

You Can Invite Dr. J.Konrad Hölé To Minister At Your Church, Conference Or Special Event.

Dr. Hölé has spoken to literally thousands of audiences both in the United States and Overseas. When Dr. Hölé accepts any outside invitation to minister he goes with the intention of maximizing the most from his time with the host leadership and the host group who have invited him. For this purpose, Dr. Hölé only accepts invitations where his passion to minister to area leaders, and their staff and lay leadership as well as his passion to stir the awareness of spiritual reform in the local church can be utilized to its fullest.

Dr. Hölé is as much a local church builder as he is a leadership builder. So it is not his usual practice to sightsee or stay secluded until his scheduled time of ministry. Dr. Hölé does not stay any one place for a long time, simply due to his responsibilities to his ministry in Minneapolis and his children. So he accepts any invitation to deposit to the fullest in any area of teaching, counseling and speaking into specific areas that the host leader is in need of help the most. So any special meetings with local area Pastors, lay leadership either during the day or even after the night services, are welcomed.

The following is a detailed outline of what specific types of information that Dr. Hölé must receive before he along with his office staff can seriously consider any invitation.
